Continue the Joy of Orchestra!

Introducing the Homeschool Intermediate Strings program with Metropolitan Youth Symphony—designed for students ready to take the next step in their musical journey! This engaging and supportive class builds on foundational skills while expanding each student's confidence and artistry as they:

Strengthen technique and tone on their instrument
Develop ensemble skills in a collaborative orchestra setting
Explore more advanced music and musical expression
Continue growing a lifelong love of music

MYS Intermediate Strings invites homeschool students who have completed a beginning strings program or have prior playing experience to join.

This class focuses on continued development on violin, viola, or cello, with an emphasis on reading music, ensemble playing, and refining technique. Students should already have an instrument and method book; guidance will be provided if additional materials are needed.

Registration Fee: \$300 for the entire year

This single payment is due on or before the first day of class.

A deferred payment plan is available upon request.
